The First Time Buyers Show is an exciting property show being held in Warrington this spring. A unique event and the only one of its scale in the North West, this event will be the perfect opportunity for you to meet prospective buyers from across the region looking to take their first step on to the property ladder.

Delivering a full package of information and advice, the event will bring together house-builders, independent financial advisors, lenders, solicitors and much, much more.

This will be the third First Time Buyers show hosted by HomeHub, the government's HomeBuy Agent for Cheshire and Merseyside, following the hugely successful Key Events held in Merseyside and in Ellesmere Port. These events have been extremely well received by both exhibitors and visitors. This is your chance to take part in the biggest and best show yet and meet buyers from across the region as well as providing a fantastic networking opportunity with like-minded professionals.
